

Guidelines for Vendor Consideration:

- Your business is registered. You have a license to sell product to a retail business.
- If product is chosen for placement, you are able to commit to and agreed upon forecasted units for season and with expected delivery dates.
- If product is chosen, product can be available to ship to use by April 30, 2019.
- You can provide product information that Trendz can use in training our sales associates, to educate them in order to educate our guests on your product.
- Product falls into a category that sells in tourism focused gift shops.
 - **Keepsake Items:** Carry Rocky Mountain, Colorado or Estes Park image, name or mark. The most sales fall to this category. Examples are gifts, jewelry and souvenirs.
 - **Higher End Gifts:** Artwork and other artisan goods representing Rocky Mountain National Park or the local culture. Examples are photography and local gift foods.
 - **Convenience Items:** Drinks and snacks are most often associated with convenience, but other examples are sunglasses, sunscreen, phone chargers and waterproof phone cover.
- Trendz works on standard vendor terms of Net 45 with few exceptions. No exception is granted to pay upfront for materials or cash on delivery.
